To Whom It May Concern,

I am pleased to offer my wholehearted recommendation for PSA Tots who have been providing outstanding sports programs at our school. For nearly four years, they have offered soccer training, and more recently, we have introduced basketball as well.

Coach Christopher and Coach Kyle, who lead both the soccer and basketball sessions, are exceptional. Their influence on our students has been profound, and we would confidently recommend their program to any school seeking top-tier athletic instruction.

Both coaches are not only efficient and well-organized, but they also excel in communication with both students and parents. They foster a positive, professional rapport with families, ensuring everyone is well-informed and actively engaged in the learning experience. I would also like to extend my appreciation to Trevor for his exemplary leadership and commend the entire team for their hard work and dedication.

What truly distinguishes PSA Tots is their expertise in coaching. Their deep knowledge of the sports, combined with their patience, enthusiasm, and ability to connect with students of all levels, creates a nurturing and effective learning environment. Each session is thoughtfully structured, engaging, and focused on building skills, teamwork, and discipline. As a result, we've seen remarkable growth in our students' confidence, coordination, and understanding of the games.

The feedback from parents and students has been overwhelmingly positive. Children eagerly look forward to their sessions and leave not only more skilled but also more inspired and enthusiastic about sports.

We are truly grateful for the energy, professionalism, and commitment that Coach Kyle and Coach Christopher bring to our school community. They are an invaluable asset, and I recommend them without reservation to any educational or sports organization.

Sincerely,
Shaveta Kalra
Executive Director
Primrose Schools of Ashburn
